
RECORD OF COVIDSAFE PROCEDURES - DISCIPLINES & ACTIVITIES

(Internal use for Dogs Victoria & Affiliate Clubs)

This document records the solutions Affiliate Clubs should agree to apply in conducting specific functions and activities essential to their type of Event. An example is provided for conformation shows to suggest the appropriate level of detail and how dog event activities can be made COVIDSafe.

Please complete the template below including the new steps you will take to make your discipline COVIDSafe.

COVIDSafe Solution & Procedures for Your Discipline

- A close examination occurs when dogs are being height measured, handlers and measurers must wear masks.
- Trials must have a COVID Marshall with appropriate qualifications.
- Physical distances of 1.5m must be maintained by attendees at all times.
- Masks must be worn when walking rings (where distancing may not be possible)
- Gazebos must be set up 1.5m apart
- No competitors are to approach the scribe's tent - results are available online
- No competitors are to enter the official room.
- Everyone must carry a mask at all times and wear when distancing is not possible.
- Anyone touching equipment (including bars) must sanitise their hands immediately afterwards, bars must be sanitised during each walk.
- All attendees must register with the Trial Secretary
- Personal equipment should not be shared
- Leads are to be carried on the handlers person during runs as per the temporary ANKC rule
- All competitors should bring their own food and drinks
- No-one should attend if they are feeling unwell
- Anyone developing symptoms at the trial must remove themselves immediately and let the Trial Secretary know
- Distancing is to be maintained outside the ring
- Judges are encouraged to design courses that don't require competitors to congregate in the same area during walks
- Sanitisers are to be provided at multiple points in the Trial precincts
- No-one is to touch during presentations, cards and prizes are to be placed on a table near the judge for pickup
